## BRIDAL APPOINTMENTS

We have a range of bridal options available for your Wedding, whether it's just you getting pampered or bridesmaids and all, whether you choose hair, make-up or both.

We can offer you bridal appointments either in-salon or in your home, or your wedding venue. We can style you in the morning and show you how to touch up your make-up during the day or you can even have a stylist do your touch-ups before the photos.

We can accommodate everyone in your Wedding party from bridesmaids and mothers or mother-in-law to be through to little persons services including hair & make-up and of course the blushing bride.

For more information on Bridal appointments please ask in-salon or pick up our Bridal Guide. Alternatively you can view and download the bridal guide on our website.
